Our hospital began with one mom's vision. Lucile Salter Packard, our generous founder and visionary for children's health, believed strongly in caring for both the body and soul of every child. That commitment to nurturing care continues to guide us today.

Thanks to our donors, almost 24,000 patients whose families could not afford the full cost of treatment received care at Lucile Packard Children's Hospital Stanford last year.

Our Stanford University School of Medicine is the 2nd highest ranked medical school in America.

Life of a Successful Social Media Campaign

Last year, our friend Kanoa set a **\$1,000 goal** in support of the Children's Fund--and reached it, thanks to social media! Check out Kanoa's progress below, and **how he reached his goal**:

1 month prior

We're making thank you paintings to send to friends who donate to our [@Summer Scamper](#) page benefiting the children's hospital where Kanoa was born! In one week, we've already raised \$590. Please help us reach our \$1,000 goal and support kids with care, comfort, and cures. [#WhyWeScamper](#) Give here: [my.SupportLPCH.org/Kanoa](#)

2 weeks prior

This is Kanoa visiting the radiology department at [@Lucile Packard Children's Hospital Stanford](#). He's a healthy growing boy, but

sadly just down the hall there are kids just like him fighting for their lives. We can't imagine the pain their families are going through, but we can help them. Will you give \$20 to support children's health today? [#WhyWeScamper](#) [my.SupportLPCH.org/Kanoa](#)

1 week prior

We met our \$1,000 fundraising goal for [@Summer Scamper!](#) Now for the fun part: thank you paintings! There are still 2 days left to donate to support children's health and get your priceless artwork from Kanoa (he might be famous someday!) [#Scamper2015](#) Donate: [my.SupportLPCH.org/Kanoa](#)

Post-Event

We did it! Thank you to [@Chris](#), [@Lauren](#), and [@Ginger](#) for joining my [@Summer Scamper](#) team and running for children's health today! And THANK YOU to all of you for donating to my Scamper page. In total, we raised more than \$500,000 for [@Lucile Packard Children's Hospital Stanford](#) to help more kids in our community. I'm so grateful for your support! [#Scamper2015](#)

Sample Fundraising Letter

Dear Aunt Kathy,

For the third year, I am supporting children and families at Lucile Packard Children's Hospital Stanford by participating in the [6th annual Summer Scamper](#). On Sunday, June 19, I will run a 5k to raise awareness and support for the hospital—and you can help!

As a not-for-profit hospital, Packard Children's relies on the generous support of caring community members like you to provide advanced medicine and compassionate care to children and expectant mothers.

Will you join me in helping children overcome challenges and lead fuller lives? My goal is to raise \$250 for transplant research and you can help me reach it!

I chose to support the Transplant Center because my neighbor Ben received a kidney transplant last year. We knew he was in good hands at Packard Children's.

Your gift will help more kids like Ben get the lifesaving care they need.

Donating online is easy and secure. You can visit my personal Scamper fundraising page at [SummerScamper.org](#).

Thank you in advance for your generosity!

Sincerely,
Scamper Sam

P.S. You can run to save lives, too! Sign up for [Summer Scamper](#) today.

You can choose to dedicate your fundraising efforts to the *Children's Fund* (which provides flexible support for the hospital's highest ongoing priorities) or the child health program that is most meaningful to you, including:

Bereavement and Family Guidance

Cancer Research
