## About Us

---

### **The Restaurant**

Restaurant Aquavit opened to immediate success in midtown Manhattan in November of 1987. More than two decades later, Aquavit continues to be one of New York's most popular and highly esteemed dining destinations. The restaurant earned two stars in The Michelin Guide New York City in 2015 and was awarded three stars by the New York Times.

Aquavit's offerings are built on the cornerstones of Sweden's 500-year-old culinary tradition.

The country is surrounded by water, providing an abundance of seafood, and the land is covered by forests rich in game, berries, mushrooms and other wild foods. Short seasons inspired the custom of pickling and preserving and the signature Nordic flavor profile is a balance between sweet and salt.

### **Private Dining**

Aquavit offers two elegant private dining rooms; the Linné Salon and the Nobel Room. Both rooms are located beyond the bar and lounge, giving them a truly separate and private feel. The clean, Scandinavian aesthetic of the restaurant provides the perfect backdrop for both corporate and social events.

Our seasonal menu is carefully crafted by Executive Chef Emma Bengtsson and her team using local, organic ingredients to reflect the spirit of Aquavit. The team will work with you to tailor our menu to suit your needs— from a three course business luncheon, to passed canapés for an after-work happy hour, or an extended tasting menu for a celebratory dinner. The private dining rooms have their own dedicated kitchen, allowing us great flexibility maintaining any desired event timeline. Whether you're looking to host an intimate business dinner and presentation for ten or a festive reception for 120 guests, our private dining team will be happy to help you create any event.

### **Executive Chef Emma Bengtsson**

Emma Bengtsson grew up in a small town on the west coast of Sweden and became interested in the culinary arts at a very young age, thanks to her grandmother, who was an avid home cook.

Bengtsson's experience spans many of Sweden's acclaimed restaurants, from her internship at Edsbacka Krog—the only Michelin two-star restaurant in Sweden at that time— to Operakällaren, the award-winning historic restaurant located in Stockholm's Opera House.

Bengtsson joined our team as Executive Pastry Chef in 2010, and quickly became known for her creative interpretations of classic Scandinavian desserts. Her style was reflective of the region's penchant for local products, progressive techniques, and continuing traditions. She took on the role of Executive Chef in spring 2014 and since then has injected the critically acclaimed menu with her personal style and experience. Her work garnered a second Michelin Star for Aquavit, making her the second female chef in the U.S. to run a two-star kitchen and the first ever Swedish female chef to do so.
