Music Survey

We have found that the best way to get the crowd involved at an event is to play music for the dancing majority! Your DJ's song selections are based on your preference, on-the-spot requests, and dance floor reactions. Please review the following music eras, and **circle** songs from each era that you, as well as your guests, will enjoy. Please keep in mind that the following songs are just the most popular songs in each genre. It is not our complete collection of music, we have every song ever produced.
