The Governance Committee

*The Governance Committee mission:* The Governance Committee is the committee of the board, by the board, and for the board. Its primary responsibility is to ensure the board is governing effectively and revitalizing itself. It is the responsible for providing leadership for board education, ensuring a strategically composed board is in place to govern the institution, nominating candidates for officer positions and committee membership, nominating and orienting new board members, ensuring an effective governance structure, board professional development and training, and ensuring an effective board self assessment process.

The Governance committee is comprised of board members and the Executive Director.

The committee meets monthly.
