Committee name:

Healthy Students, Enrollment and Retention Committee

Committee mission:

To support DLS staff, board, parents and students by gathering and evaluating data that is important for school operations and student growth. In particular, the HSER committee will address data-driven topics including retention, enrollment, and wait lists, to assist where needed, and provide a sounding board for understanding data, developing recommendations, and supporting other committee work.

Date of last meeting:

Monday, January 14th, 2019

Agenda Discussed:

- Formalize regular meeting time.
- Obtaining data regarding student population projections.
- Discuss data necessary to evaluate student enrollment and geographic trends.
- Discuss data necessary to support School Choice programming.

Date of next meeting:

Tuesday, January 29th, 2019

Committee members and contact information:

The committee is comprised of board members, the Executive Director, school leadership and parent representatives.

Board Members:

Dave St. John-Larkin, Chair
