DLS Board of Directors Monthly Committee Report

Date: 01/14/19

Committee name: School Accountability Committee (SAC)

Committee Updates:

At the January meeting, the SAC had a working data review session to analyze CMAS and interim data for grades 6, 7, and 8. The working groups were tasked with documenting questions, outlining major trends/findings, and summarizing the data outcomes across the two programs. The SAC is now synthesizing that information into a more digestible form.
