(Last Reviewed: 8-10-2017)
Before you connect to the Tor network, you need to provide information about this computer's internet connection.

Which of the following best describes your situation?

I would like to make a direct connection to the Tor network. This will work in most situations.

Connect

This computer's internet connection is censored or proxied. I need to configure bridge or local proxy settings before I connect to the Tor network.

Configure
