Endow Maryland Tax Credits through the Mid-Shore Community Foundation

The State Tax Credit “Endow Maryland”, rewards donors who help to build permanent charitable funds for local communities across Maryland. Endow Maryland awards tax credits for donations of \$500 to \$50,000 to endowed funds at participating community foundations - including the Mid-Shore Community Foundation. Contributions must be directed to new or existing permanently endowed funds that benefit Maryland Communities. The tax credits, which are 25% of the value of the contributed cash or securities, are awarded to both businesses and individuals on a first-come, first-served basis. A taxpayer may claim a maximum of \$12,500 in Endow Maryland Tax Credits per year. Contact us for additional information on how to make your gift qualify for the Endow Maryland Tax Credit.
