FEATURED ELIQUID PARTNERS

2 PUFFS LADERA RANCH, CA

Well known in the industry for collaborations and the creation of several high-end mods, 2 Puffs' five flavor offering is an even split of fruit and desert.

COSMIC FOG COSTA MESA, CA

Cosmic fog is a highly-popular National Brand operating out of a state of the art lab. They spend 7-10 months perfecting each flavor and strive to only create "all-day-vapes."

HALO POMPTON PLAINS, NJ

With an emphasis on tobacco flavors and a great "throat hit" with low nicotine levels, Halo is an FDA and FEMA approved juggernaut of the vaping industry. They only use Pharmaceutical and United States Pharmacopeia [USP] grade ingredients.

KILO ORANGE COUNTY, CA

A fairly new line, Kilo is considered a premium fruit and desert line with high standards. Its signature flavor "Dewberry Cream" won a best of show award at the 2015 Vape Summit in Las Vegas under the tropical & exotic fruits category.

KEYSTONE CROYDON, PA

Created by a US marine, this local brand has a strong national and online presence. Create in a state of the art lab, their line consists of PA-based themes and flavor profiles.

LUNAR ROVER BALTIMORE, MD

Lunar Rover uses a Natural Tobacco Extraction (NET) process, allowing them to imitate the true flavors of the smoking experience. Both their tobacco and cocktail themed lines are created from premium ingredients in a state of the art lab setting.

RIPE VAPES CAMARILLO, CA

Ripe Vapes is hand-crafted from the highest quality pharmaceutical grade ingredients. Their 6 well-rounded flavors are natural, fresh, crisp, and rich and savory in tone.

THE ORIGINALS LOS ANGELES, CA

The originals is an award winning line created by the industry's top mixologists that skews heavily towards savory and rich desert flavors.

THE VAPING RABBIT LOS ANGELES, CA

This high-end line is know for its creamy, milky, and savory flavor profiles. Based in Los Angeles, it has a strong national following and a reputation for quality, with independent lab results posted on their site.

VAPERGATE DENVER, CO

Vapergate offers a wide range of flavors all made from a premium max-VG juice blended with USP grade vegetable glycerin and premium grade nicotine, and made in an ISO-7 lab.
