

## Farm Share Agreement & Terms of Use 2020-2021

### What are Grow Dat Farm Shares?

Our 29-week-long Farm Share initiative is an opportunity for customers to enjoy chemical-free, fresh produce while investing in our farm and youth leadership program. Farm Shares are a form of Community Supported Agriculture (CSA), a way for the community to become “member-investors” who receive a portion of the farm’s harvest every week. For decades, CSAs have supported small-scale farmers and strengthened local food systems. Members experience the seasonal fluctuations of the farm’s produce, a process that teaches consumers more about the natural cycles of food production. Farms benefit by receiving upfront, steady income from members, minimizing some of the risks that come with small-scale farming. At Grow Dat, all Farm Share proceeds support our youth program, which nurtures the leadership skills of teenagers employed in the meaningful work of growing healthy food.

### How Does It Work?

Farm Shares run for 29 weeks, from November 4, 2020 - June 26, 2021. Members are responsible for picking up their weekly produce box at our farm site in City Park on Wednesday evenings (4-6pm) or Saturday mornings (9am-12pm); members may choose pickup day while availability lasts. (Note: Farm Shares will be suspended during the following: Thanksgiving week (November 25 + 28), winter holidays (December 16, 19, 23, 30 and January 2), and the week leading up to Mardi Gras (February 10 + 13). If you or a friend can’t pick-up your box for a given week, you have the option of donating that week’s share to Grow Dat youth and their families.

Your share will consist of a variety of vegetables and herbs sustainably grown on our farm and will change on a weekly basis. One share will generally supply a family of 2-4 for a week (depending on a family’s weekly vegetable intake). Each week share members receive a box of produce that will regularly include what we like to call “the base of the box:” 1) a ¼ lb. bag of our signature salad mix, 2) one bunch of kale, 3) one bunch of other leafy greens (chard, collards or mustards) and 4) fresh herbs. In addition to the weekly “base,” you will receive seasonal herbs and vegetables including basil, beets, broccoli, carrots, cauliflower, celery, cucumber, eggplant, beans, leek, mustards, green onions, hot peppers, potatoes, radishes, sugar snap peas, squash, cherry tomatoes, tat

soi, satsumas, strawberries, mulberries, ginger, turmeric, turnips, zucchini and more! See below table for seasonal availability.

**Important Produce Note:** This CSA best serves salad and greens lovers! Grow Dat's CSA Farm Share is very much rooted in salad greens, leafy greens (kale, collards, chard and mustards) and herbs. Why? Because we've found that these items are what our customers enjoy the most week in and week out AND what our climate allows us to grow well and in abundance for the majority of the long season. In other words, if you are considering joining be ready to embrace the lots of salad mix, leafy greens and herbs!

Expected Produce Availability (Tentative and Subject to Change)

Week	Expected Crops
Continuous availability for most of these crops until mid-May	Base of the Box: GD Salad Mix (red and green lettuces, arugula, Asian mustards, endive, radicchio), kale, chard, collards, mustards, herbs. When these crops are unavailable, they will be substituted with other seasonal vegetables.
Nov	Radishes, turnips, satsumas, ginger, turmeric, hibiscus, flowers
December	Carrots, beets, snap peas, tat soi, pac choi, satsumas
January	radishes, turnips, tat soi, pac choi, beets, carrots, snap peas, broccoli, cauliflower, potatoes, satsumas
February	radishes, turnips, tat soi, Pac choi, beets, carrots, snap peas, mustards

March	broccoli, cauliflower, snap peas, tat soi, radishes, turnips
April	broccoli, cauliflower, radishes, turnips, squash, zucchini, basil, eggplant, squash, zucchini, potatoes, carrots, flowers
May	Peppers, okra, basil, eggplant, carrots, cherry tomatoes, winter squash, summer squash, zucchini, cucumbers, flowers
June	peppers, okra, basil, eggplant, summer squash, winter squash, zucchini, cucumbers, watermelon, flowers

In addition to produce, all members receive in their box a weekly newsletter with recipe ideas, farm news, upcoming events and inspiring messages from Grow Dat youth. Each week members will bring their own canvas bag to pick up their share. **Weekly produce may vary from the above list and is subject to change because of unexpected challenges with weather, pests and disease.**

### Share Add-Ons

\*Add-ons are purchased along produce share for entirety of season

### Bellegarde Bakery Sourdough Bread - \$6/weekly loaf

Love fresh bread? We've teamed up with local Bellegarde Bakery, one of the few bakeries in the country that mills its own wheat to produce fantastic sourdough breads. Members have the option of adding on to their weekly farm share a petit loaf of their delicious Country sourdough bread, great for sandwiches, French toast and just plain with butter! Learn more about their bread at: [www.bellegardebakery.com](http://www.bellegardebakery.com)

### Local Cooling Farm Pastured Raised Eggs - \$6.50/weekly dozen

Local Cooling Farms raised chickens on pasture year round, moving mobile coops every 4-7 days to give the birds a fresh supply of grasses, other plants and mostly importantly, bugs and worms to forage! They can dust bath, bask in the sun, take short flights, scratch in the soil to their hearts' content and generally behave like all chickens should. Studies

have shown that chickens raised on pasture produce eggs that are higher in Omega-3 fatty acids, beta carotene, vitamins E and D, "good cholesterol, " while lower in "bad cholesterol." And they taste better, too! Dozens packed for Grow Dat are a mix of medium, large and jumbo-sized eggs and a mix of shell colors from the numerous breeds in the flock. Learn more about their eggs at:

<https://www.laughingbuddhanursery.com/pastured-eggs>

## What are the Different Membership Options?

<p><b>Sustaining Farm Share: \$875</b></p> <p>* 29 weekly produce boxes (\$25 value per box) includes:</p> <ul style="list-style-type: none"> <li>- one ¼ pound bag of our signature salad mix (red and green lettuces, arugula, Asian mustards, endive, radicchio)</li> <li>- one ½ pound bunch of chard OR collards (farmer’s choice based on availability)</li> <li>- one ½ pound bunch of kale</li> <li>- one small bag of fresh culinary herbs (rosemary, thyme, dill, basil, chives, or mint)</li> <li>- seasonal vegetables based on availability</li> </ul> <p>* Donation of \$150 (about \$5 per week) that will underwrite one reduced cost Farm Share for a low-income family from Shared Harvest partner organizations</p> <p>* Weekly newsletter with recipe ideas, farm news, upcoming events and inspiring messages from Grow Dat youth</p> <p>* Opportunities to volunteer on our farm and participate in farm activities including community lunches with youth, member picnics, and parties</p>	<p><b>Farm Share: \$725</b></p> <p>* 29 weekly produce boxes (\$25 value per box) includes:</p> <ul style="list-style-type: none"> <li>- one ¼ pound bag of our signature salad mix (red and green lettuces, arugula, Asian mustards, endive, radicchio)</li> <li>- one ½ pound bunch of chard OR collards (farmer’s choice based on availability)</li> <li>- one ½ pound bunch of kale</li> <li>- one small bag of fresh culinary herbs (rosemary, thyme, dill, basil, chives, mint)</li> <li>- seasonal vegetables based on availability</li> </ul> <p>* Weekly newsletter with recipe ideas, farm news, upcoming events and inspiring messages from Grow Dat youth</p> <p>* Opportunities to volunteer on our farm and participate in farm activities including community lunches with youth, member picnics, and parties</p>

## Share Add-Ons

### **Bellegarde Bakery Sourdough Bread Add-On: \$174**

- 29 weeks of one Country sourdough petit loaf per week (\$6 value per loaf)

### **Local Cooling Farm Pastured Raised Egg: \$188.50**

- 29 weeks of one dozen pastured raised eggs (\$6.50 value per dozen)

## What are Grow Dat's Farming Practices?

At Grow Dat, we use chemical-free farming methods to build a resilient sustainable agricultural system. To us that means producing food by supporting natural ecological systems and stewarding natural and human resources for the future. We do not use chemical-based pesticides or fertilizers. Instead, we utilize organic techniques such as cover cropping, composting, companion planting, farmscaping and crop rotation to stimulate micro-biological activity and soil health. Simultaneously, we support the growth of young people to become stewards of precious natural resources for future generations. We are certified under the Certified Naturally Grown label. We wash all produce and use best practices for post-harvest handling because your safety and satisfaction is our top priority. **For your added protection, make sure to wash all produce again before eating.**

## What are Grow Dat's current Covid-19 Safety Protocols?

We carry out the following procedures to ensure worker and customer safety:

- Screen all farm workers daily for signs of sickness including taking temperature and questions about current and possible contact with sick people; no person exhibiting fever and/or signs of sickness will be permitted to do farm work
- Sanitize all surfaces and tools that come in contact with produce
- Thoroughly washing hands several times during the harvest and post-harvest process
- Wear mask and gloves during CSA distribution
- Practice social distancing among workers and customers

## Sharing in the Risk of Crop Failure

One aspect of Community Supported Agriculture is that members share in the rewards and in the inherent risks of agriculture including poor weather, flooding, disease, frost, and pest outbreaks. We promise to do our best to provide you with a bountiful share each week. The quantity and variety of produce however, may vary from week to week. When you become a Farm Share member, you agree to share both in the risk of crop failure and the bounty of the season with Grow Dat and other Farm Share members. While Grow Dat will act in good faith to provide a wide variety of produce for the duration of the spring season, there is no guarantee of quantities or contents of weekly shares.

Substitutions may be made in the event of crop variety shortages. In the event of major crop failure, you will be notified as soon as possible by e-mail.

## Share Pick-Up

You are responsible for picking up your share on **Wednesdays from 3-6pm** or **Saturdays from 9am-12pm at our farm site in City Park** (150 Zachary Taylor Drive - between Pan Am Stadium and City Bark Dog Park) rain or shine. Members may choose pickup day while availability lasts. If you select a pickup day that has reached its quantity limit, you must opt for the other pickup day. Share members may not change their pick-up day during the course of the season. **The first share pickups will be Wednesday, November 4 and Saturday, November 7, 2020. The last pickups of the season will be Wednesday, June 23 and Saturday, June 26, 2021.**

A Grow Dat staff member, adult apprentice or youth will register your pick-up, bring your share box from our cold storage unit. You and your family are welcome to stay and take a youth-guided tour of our farm and/or help Crew Members with farm tasks!

If you cannot pick-up your share for any week, you may 1) arrange for someone else (your proxy) to pick it up for you or 2) donate your box to our hunger-relief Shared Harvest donation program. If you know that you will be unable to pick-up your weekly share, please email Leo at [leo@growdatyouthfarm.org](mailto:leo@growdatyouthfarm.org) at least two days in advance to communicate who will be picking up your box or if you would like to donate your box. You are responsible for explaining the pick-up location and procedures to your proxy as well as providing them with your previous week's share box. **Shares that are not retrieved by 6 pm on Wednesdays and 12pm on Saturdays will be donated to Grow Dat youth and their families or to one of our Shared Harvest donation partners.**

## IMPORTANT NOTES: Pickup Suspension + Alternative Pickup

### Dates/Locations:

**Farm share pickups will be suspended during the following weeks:**

- Thanksgiving week (November 25/28, 2020)
- Winter holidays (December 16/19/23/26, 30 2020 + January 2, 2021)
- Week leading up to Mardi Gras (February 10/13, 2021)

**\*Please note that due to the hectic nature of Mardi Gras week, customers who usually pick-up on Wednesdays will pick-up on Thursday, February 18 from 3-6pm (instead of Wed, February 17 and only for this week!) and then return to normal Wednesday pickup the following week.**

**\*On a few occasions, share pickup at our farm will not be possible because of events occurring in City Park that limit access to our farm. We will let you know by email at least one week in advance about any change in pickup times and/or locations.**

**Farm Share Pick-Up Dates and Locations:**

Pick-up Date	Pick-up Location	Address	Time	Parking
Normal Wednesdays and Saturdays  Start: Wed, Nov. 4/Sat, Nov. 7 End: Wed, June 23/ Sat, June 26	Grow Dat Youth Farm in City Park	150 Zachary Taylor Dr., NOLA 70124 (between Pan Am Stadium and City Bark)	3-6pm (Wed)  9am-12pm (Sat)	You may drive up the driveway or park along side of road and walk up
November 25/28, 2020 December 16/19/23/26/30 January 2, 2021 February 10/13, 2021	Pick-Ups Suspended			

**Communication:**

The best way to communicate with us is via email with Farm Manager, Leo Gorman. He can be reached by email at [leo@growdatyouthfarm.org](mailto:leo@growdatyouthfarm.org) or by cell at 504.616.1777. Please contact Leo (preferably by email) with any questions, changes to your contact information, changes with your share’s ownership, interest in donating your share, problems with pick-up, or feedback about your share.

Upon registration, you will receive a confirmation email welcoming you as a member of our farm. Leo will follow-up a few weeks before season begins with more details. During the season, Leo will communicate with you by email and/or by telephone to deliver any important information about crop failure, pick-up changes, and other share-related news. Additionally, please read your weekly newsletter for information on seasonal recipes, youth program news and upcoming events at the farm.

### **Registration and Payment:**

Memberships are limited to a total of 130 shares and are likely to fill up quickly. The deadline to sign up is November 2, 2020 at 5pm. However, shares are allotted on a first-come, first-serve basis and usually sell out prior to deadline. To immediately reserve your share, payment must be made electronically with a credit card through our website's secure payment system. (SNAP customers see below for registration information). You may pay the full \$725 amount or in installments. Full payment is strongly preferred as it allows us invest on the front end of our main growing season. If you choose to pay in installments, your credit card will be charged upon registering and charged again until balance is paid in full.

### **SNAP Membership:**

We encourage SNAP recipients to participate in our CSA program! All SNAP recipients receive a 50% discount on their vegetable share price. The total balance for SNAP holders on vegetable share is \$362.50, which can be paid monthly or in fewer payments before June 15, 2021. Add-on prices are not discounted but can be paid for with SNAP card. Payment is made with a card reader at the pick-up location. Prospective SNAP members should contact Leo Gorman directly to register and discuss payment plan.

### **Cancellations and Refunds:**

Partial refunds are only available prior to November 2, 2020 at 5pm. A 10% cancellation fee (of your share price) will be charged to your credit card with the remaining amount credited back to your card. If you wish to cancel your membership and receive a partial refund, please email Leo Gorman at [leo@growdatyouthfarm.org](mailto:leo@growdatyouthfarm.org) before 5pm on November 2, 2020. You will receive an email verifying your cancelation and a receipt of your refund within five business days.

**Grow Dat does not offer refunds for shares after 5pm on November 2, 2020. By joining the CSA Farm Share Program, you are supporting Grow Dat Youth Farm and the youth we serve. As a shareholder in both the bounty and the risk, nature ultimately decides what you will receive and when you will receive it.**

If for any reason, you are unable to continue with the Farm Share Program, you may either 1) donate your produce to Grow Dat youth or our hunger relief partners or 2) find a friend to buy out your share. However, if a friend buys out your share you must handle ALL agreements and cash transactions on your own. If you wish to donate the remainder of your share or have a friend buy out your share, please email Leo at least one week prior to the change date. Any buyer of the share must be able to pick up at our farm and when necessary, our alternative pick-up site.

**Cancellation and Refund Policy Summary:**

Cancelation Date	Refund Amount	Options
Before November 2, 2020 at 5pm	Partial refund – 10% cancellation fee (of share price) charged to credit card and remainder returned	Continue to support Grow Dat by buying produce at our weekly on-site Saturday farm stand or volunteering
After November 2, 2020 at 5pm	No refund available	1) Donate share to Grow Dat youth or hunger relief donation program  2) Ask a friend to buy out your share

To become a member-investor in our farm, click on the membership option you prefer. Fill out the registration and agreement information and get ready for those veggies!

**Thank you for supporting young leaders and sustainable agriculture in New Orleans!**

## **Terms of Agreement**

### General Policies and Conditions

I appreciate locally grown, chemical-free produce and want to ensure that it remains available in New Orleans. By participating in Grow Dat Farm Shares I understand that Grow Dat pledges to do their best to provide the vegetables and herbs they propose at the estimated times.

In 2019-20, Grow Dat grew 35,000 pounds of produce on 2 acres of land, and Grow Dat anticipates another bountiful season in 2020-21. However, as a shareholder, I understand that I am sharing the bounty as well as the risk associated with the unpredictable nature of farming.

I have read the payment and refund policy below and understand that there are no refunds of my Farm Share after November 2, 2020 at 5pm, even in the event of a complete or partial crop failure. I am supporting the Grow Dat youth leadership program and the youth it serves through my Farm Share membership.

The Grow Dat Farm Share Program will span 29 weeks during which I will receive a variety of fresh produce. I agree to pay the full amount of the membership option I have selected at the time of my registration or in installments.

I understand that I am responsible for picking up my share rain or shine on Wednesdays (3-6pm) or Saturdays (9am and 12pm) at the Grow Dat Youth Farm site in City Park. My pickup day is either Wednesday or Saturday and based on availability at the time of registration. I may not change my pick-up day during the course of the season. I

understand that when access to the farm is restricted, I will pick up my share at the designated alternative pick-up location. I am responsible for explaining the pick-up location, times, and procedures (including for alternative pick-up location information) to any proxy picking up my box as well as providing them with my previous week's share box. If my share is not retrieved by 6pm on Wednesdays and 12 pm on Saturdays it will be donated to Grow Dat youth and their families or to one of our Shared Harvest donation partners.

I understand that on infrequent occasions, share pickup at our farm will not be possible because of races or other events occurring in City Park that limit access to our farm. I understand that it is possible that I will have to pickup my share at the below alternative pickup site on dates other than the confirmed date listed below. I understand that Grow Dat will communicate with me by email at least one week in advance about any change in pickup times and/or locations.

I understand that pickups are suspended during the weeks mentioned above.

I understand that the best way to discuss any changes to my contact information, problems with the pick-up, or dissatisfaction with my share is with Farm Manager, Leo Gorman.

## **Payment and Refund Policy**

I understand that to reserve my share I must pay electronically with a credit card through Grow Dat's website's secure payment system. I may pay the full share amount or in installments. I understand that if I choose to pay in installments, my credit card will be charged upon registering and charged again based on the number of installments I choose. If paying in installments, I understand that my credit card will automatically be charged and that there are no full or partial refunds after November 2, 2020 at 5pm.

Grow Dat does not offer refunds for shares after November 2, 2020 at 5pm, even in the event of a complete or partial crop failure. By committing to the Grow Dat Farm Share Program, I am supporting the Grow Dat youth leadership program and the youth they serve. Partial refunds are only available prior to November 2, 2020 at 5pm. A 10%

cancellation fee (of my share price) will be charged to my credit card with the remaining amount credited back to my card. If I wish to cancel my membership and receive a partial refund, I will email Leo Gorman before 5pm on November 4, 2019 at 5pm.

If for any reason, I am unable to continue with the Farm Share Program, I will either donate my produce to Grow Dat youth or hunger relief partners or find a friend to buy out my share. However, if a friend buys out my share I must handle ALL agreements and cash transactions on my own and notify Grow Dat in writing of a name and personal information change for my share. Any buyer of the share must be able to pick up at our farm and when necessary, our alternative pick-up site. I understand that if I wish to donate the remainder of my share or have a friend buy out my share, I will email Leo at least one week prior to the change date.

By clicking a buying option, I agree to purchase the selected membership. I understand that, although unlikely, the farm may change parts of this agreement related to production and distribution from time to time. I understand that they will contact me via email or telephone in advance of any changes to this agreement.
