December 3<sup>rd</sup>, 2015

Canyon Pointe Families,

We are excited to announce that Pointe Schools has updated and has expanded upon our SchoolMessenger notification service that allows us to send important information to families through phone calls, text messages, and emails.

The contacts that we have on file will be receiving a phone call to inform them of updates to our system on Monday, December 7<sup>th</sup>, 2015. If you are the primary contact on file and do not receive this phone call, please contact [afallon@pointeschools.org](mailto:afallon@pointeschools.org).

To comply with wireless carrier requirements and protect against unsolicited messages, you may receive an SMS message to the wireless cell phone numbers that Pointe Schools has on file requesting that you “opt in” to receive important information from the school or district via SMS text message.

So that you are able to continue to receive these important messages from our school and district via text, we encourage you to reply with “Yes”, “Subscribe” or “OPTIN” when you receive such a verification message.

If you would like to receive message alerts and were not sent the verification message, please, contact [afallon@pointeschools.org](mailto:afallon@pointeschools.org).

To opt out of all text messages from SchoolMessenger, visit <http://www.schoolmessenger.com/txtmsg> or reply “STOP” to any message.

Pointe Schools will not pay for text message charges that may be incurred by you for sending/receiving text messages. Please, check with your wireless carrier for possible charges.

Mrs. Smailagic and Mrs. Fallon
