Eleanor Turbyville Memorial Scholarship Details

What is the Eleanor Turbyville Memorial Scholarship?

The Eleanor Turbyville Memorial Scholarship was established in June of 2017. The mission is to provide financial assistance to individuals with a financial need who display enormous talent, potential and love for dance. **The scholarship is awarded based on financial need and talent (need & merit) at the discretion of the School Director and/or Executive Director.**

Why Was the Eleanor Turbyville Memorial Scholarship Created?

Eleanor Turbyville was one of two board members that helped to start the Rockford Dance Company School. She was always an avid supporter of the arts and a champion for the talented yet financially challenged student. Her daughters were longtime company members and one of her daughters was an original company member, faculty member and school director. Rockford Dance Company was a large part of Eleanor's life which led her to request that donations be directed to RDC upon her passing. This scholarship will allow Eleanor's dedication to dance to continue through the financial support of friends and family.
