

# My First Surfboard

Wishing every child to have as much fun and excitement as possible at their very first surfing experience, I introduce to you "My First Surfboard," with help from the Japanese apparel brand "Pony Go Round ". I shape kid friendly and safe surfboards that can be personalized with your child's drawings or a message to them. Even if this is your child's second or third surfboard, I am confident that your child will be pleased with their very own special surfboard." As a father of two kids, I look forward to help creating a memorable surfboard for children to enjoy.

## Shaper: Eisaku Murata

Admiring the work and lifestyle of two legendary shapers, Rusty and Bob Hurley, Eisaku landed in Huntington Beach, California 30 years ago. He was lucky enough to be a part of their workshops and there he learned all of the basics and ideologies of shaping surfboards.

Now, Eisaku is the only Japanese shaper who is approved to shape for "IPD" (International Pro Design), a surfboard brand founded by Bob Hurley under his philosophy. Currently, Eisaku is actively shaping for not only IPD Surfboards, but his own brand A39 surfboards and Chuck Dent Surfboards.
