

LEVEL 1 ARCHERY

This 4-week, beginner class is perfect for anyone who would like to see and experience the basics of archery. Level 1 will focus on the “physical” aspects of archery along with teaching safety. Each week will have a different lesson that we will focus on. **WEEK ONE:** Safety, introduce equipment, and basics of how to load and release an arrow toward target, along with proper retrieval. **WEEK TWO:** Safety reinforced and how to properly hold the string during a shot. **WEEK THREE:** Safety, proper arm/face alignment on the bow and string, and proper stance. **WEEK FOUR:** Reward week, recap of the entire class and time to “fun” shoot.
