

YOUTH BALLET

Try our youth ballet class this summer. Children will learn fundamentals, balance, and coordination through floor work and short routines. Dancers learn first and second positions, basic footwork, jumps, and simple moving steps. Dancers will participate in a recital at the end of the session to show off their hard work. The recital will be held the last 15 minutes of the class on July 25th.

Join Us for a 6 Week Summer Session!
