TOURNAMENT INFORMATION

We're excited to have you join us for the MHSAA Division I Girls' Tennis Finals. The following information has been provided to help make your visit here a smooth one – please take a few minutes to read it, and enjoy the tournament!

PARKING – There is plenty of parking available in the tennis center's main parking lot and in the tournament overflow parking lot across Wackerly Street. All school buses must park in the tournament overflow parking lot. **Any unattended parked cars that block fire hydrants, driveways or other cars will be towed at the owner's expense.**

TEAM TENTS & TAILGATE AREAS – Weather permitting, team vans and vehicles used for tailgating purposes can be parked on the east or west side of the outdoor complex. Team tents can also be set-up in these areas, but teams are encouraged NOT to set up outdoor tents until Friday morning as there is no outdoor security. The tennis center is not responsible for items left outside unattended. Team tents may not be set-up on the middle cement walkway of the outdoor complex.

USE OF INDOOR SPACE – Starting Friday morning teams are welcome to use indoor space for gathering. The tennis center will open at 6:30 a.m. on Friday. At that time teams are welcome to choose a small team area indoors, but please keep in mind that due to the number of teams and spectators attending the tournament, space will be limited. Additional tables and chairs cannot be brought indoors, and teams may be asked to remove larger coolers and other items if walkways become blocked.

Teams need to supply their own practice balls. Tennis center ball hoppers and teaching carts are not available for tournament use. Additionally, personal stringing machines are not allowed inside the tennis center or in the outdoor complex. Professional racquet stringing is available in the pro shop.

Animals are not allowed inside the facility or on the middle cement walkway of the outdoor complex.

The Greater Midland Tennis Center is a smoke-free property.

Please help us keep the facility clean and uncluttered by utilizing the trash bins throughout the day.
