The Global Alliance for Surgical, Obstetric, Trauma, and Anaesthesia Care (The G4 Alliance) is a coalition of more than 80 organizations working in over 160 countries advocating to make access to safe, affordable and timely surgical, obstetric, trauma and anaesthesia care a global health priority and advance awareness, political will and resources to achieve this end.

The G4 Alliance’s 3-year strategic plan builds upon the organization’s initial successes and will guide the G4 Alliance’s work in support of global surgical, obstetric, trauma and anaesthesia care around the world. Planned activities cut across all three of the G4 Alliance defined pillars of ADVOCACY, POLICY IMPLEMENTATION and RESOURCE MOBILIZATION.

**VISION**

The G4 Alliance is committed to advocating for the neglected surgical patient and is driven by a mission to provide a collective voice for increased access to safe, essential and timely surgical, obstetric, trauma and anaesthesia care as part of universal health coverage.

**MISSION**

Universal access to quality surgical, obstetric, trauma, and anaesthesia care.

**GLOBAL TARGET**

80 x 2030

Safe Surgical and Anaesthesia Care for 80% of the World by 2030
ACHIEVING SAFE SURGICAL & ANAESTHESIA CARE FOR ALL

1. ADVOCACY
   Galvanize collective action.
   1. Maintain a strong and enabled G4 member network.
   2. Prioritize surgical, obstetric, trauma and anaesthesia care at global and multilateral levels.
   3. Prioritize surgical, obstetric, trauma and anaesthesia care with regional bodies and organizations.
   4. Prioritize surgical, obstetric, trauma and anaesthesia care as part of national health agendas.

2. POLICY IMPLEMENTATION
   Support national surgical planning.
   1. Develop consensus around critical elements for national surgical, obstetric, trauma and anaesthesia care capacity building.
   2. Facilitate development of culturally relevant standard frameworks for effective, sustainable, and scalable surgical systems.

3. RESOURCE MOBILIZATION
   Build an enabling funding environment.
   1. Advocate for global funding mechanisms to scale national surgical plans.
   2. Mobilize funding from high-income countries, regional development banks, private sector, foundations, and philanthropies.
   3. Advocate for national level financing mechanisms and strategies.
   4. Advocate for external resourcing to support the G4 Alliance.

Outputs:
- Member Platform & Global Map developed
- Meetings & events hosted to support global coordination of national surgical planning & advocacy
- G4 auxiliary offices established in 6 WHO global regions to support surgical systems strengthening
- Global surgery campaigns, PR, multimedia & advocacy campaigns developed
- Advocacy & national surgical planning toolkits developed
- Global Action Plan & Global Accountability Framework developed & adopted by UN / WHO Member States
- Regional national surgical planning forums convened to share best-practices & support collaboration
- National Surgical Planning “Best Practices Scorecard” developed, published & disseminated
- Regional advocacy networks established
- Electronic operative case log data platform developed
