

Desserts and Stuff

Dessert is the grace note to every meal (yes, every meal, in **ANNABEL COHEN COOKS DETROIT**'s collective opinion — okay, Annabel's opinion).

While we like to end a meal with chocolate (don't judge us!), we offer lots of options. Here's a sweet taste of our sweet offerings. If you want cakes, cupcakes, and tortes, we can arrange for those, too.

LIVE! — Stations (Made to Order)

WafflesLIVE! Waffles are the perfect dessert! Made to Order with Lots of Toppings — You Pick!

European CrepesLIVE! — Several Flavors Available — With Your Choice of Fillings and Toppings.

PaniniLIVE! — We made dessert panini's: peanut butter, marshmallow and Nutella is just one of them (Our cheddar and Cinnamon Apple panini's are divine!) Oh, my, there are so many combinations!

MINIDonutsLIVE! — Mini Donuts (Cider Mill-Style) with Your Choice of Toppings.

Chocolate CascadeLIVE! — Imagine dark, milk or white chocolate flowing down a tower into a pool of ... more chocolate! Then you can dip your favorite sweets: Fruit, cookies, biscotti, crispy rice treats, marshmallows, cake, marshmallows and more into the chocolate (using skewers of course), and indulge.

Bananas FosterLIVE! — Melted butter and brown sugar and sliced bananas cooked in skillets in front of your eyes and served with real vanilla ice cream -- need we say more?

CookiesLIVE! Cookies (Chocolate Chip are the most popular), served right out of the oven (we bring a convection oven to our events) and serve them with milk (or chocolate milk) shots.

Ice Cream SundaesLIVE! Ice cream stations with your choice of 2-3 flavors with lots of topping options,, including: Sander's Hot Fudge, whipped Cream, nuts and Maraschino cherries and more.
