*A Guide to Freedom, Wealth,
and More Time with Your Family
IN JUST 7 STEPS*

People are looking for what you have! There are many people that are looking for your talents, your passion and your solutions.

1. DREAMS COME TRUE: HIGH FIVES FOR EVERYONE! YOU GET TO WORK ON YOUR DREAMS FOR YOURSELF BUT YOU DON'T HAVE TO DO IT BY YOURSELF. YOU ARE NOT ALONE IN BUILDING YOUR DREAMS.

With the right team and company (and I have found exactly that!), you will have people who will support you, mentor you, and work with you to help you succeed.

You will also find that there are thousands of women just like you who have made the decision to be their own boss!

2. YOUR SCHEDULE IS THE PERFECT ONE THAT YOU PUT TOGETHER! YOU CHOOSE YOUR HOURS OF OPERATION. NO MORE RACING AGAINST THE CLOCK TO GET TO WORK OR TO LEAVE WORK. YOU SET THE CALENDAR AND LIVE YOUR OWN VERSION OF WORK / FAMILY LIFE BALANCE.

Deciding to quit the 9 to 5 grind, or working the night shift, or going part time - you decide what is right for you. This choice is YOURS so that you will have more time to do the things you love with the people you love.

You also have the luxury to decide how many hours and which hours suit your schedule best for each day of the week. You give yourself your own vacation and you pay yourself for this vacation...the best feeling - EVER. YOU decide when to take a break and when to push through.

3. NO MORE DRY CLEANING AND TRAFFIC JAMS! WORKING IN THE COMFORT OF YOUR OWN HOME MEANS THAT YOU ARE COMFY. THERE IS NO DRESS CODE - YOU WEAR WHAT YOU WANT. YOGA PANTS? PAJAMA PANTS? JEANS? SHORTS? NO 'BUSINESS CASUAL' OR 'SUITS AND HOSE AND CLOSE-TOE SHOES' NONSENSE...

You even SIT where you want (imagine that!)...on the porch, the balcony, the couch, snuggled up in bed, or even out by the lake or pool. Coffee shop terraces on a beautiful day? Heaven.

You can move around your house whenever YOU want - take breaks whenever YOU want - without feeling restricted or feeling as though you may be disturbing anyone in your surroundings.

4. FINANCIAL INDEPENDENCE THROUGH TECHNOLOGY! THERE HAS NEVER BEEN A BETTER TIME TO WORK FOR YOURSELF AND BE FINANCIALLY INDEPENDENT IN THE BUSINESS WORLD.

In today's information age, there are many tools available that boost home-based businesses. Exposure to the world population and target markets has never been easier.

And it's not expensive - big sigh of relief! Through the use of the internet, social media and

exposure globally at a very low cost or even free, your business can grow and flourish.

5. SOLVING PROBLEMS IS A GREAT FEELING! PEOPLE ARE LOOKING FOR WHAT YOU HAVE! THERE ARE MANY PEOPLE THAT ARE LOOKING FOR YOUR TALENTS, YOUR PASSION AND YOUR SOLUTIONS.

With the right marketing tools and exposure you will find that people are always looking for what you have and will give you top dollar for your products or services. Many people are still lost and need that extra help.

Whether it is losing that last ten pounds, or a desire for an extra \$1,000 or \$10,000 per month in income, or just wanting guidance on how to discover their own perfect path and success, it feels incredible to help people.

6. YOUR STAFF IS THE ONE YOU CHOOSE! YOU CHOOSE WHO YOU WANT TO WORK WITH AND WHY. RUNNING YOUR OWN BUSINESS GIVES YOU THE FLEXIBILITY TO SCREEN THROUGH THE PEOPLE YOU WANT TO HAVE ON YOUR TEAM.

You have a choice and say in who you want to work with. You won't have to deal with that annoying negative co-worker that is always finding a reason to complain.

No more office politics: you won't have to deal with all the office drama and you will have the choice to use the talents that YOU want to use, instead of doing 'assigned' tasks and listening to everyone gripe and complain about the measly pay raises.

7. SUPER CLOSE FAMILY RELATIONSHIPS. I SAVED THE BEST FOR LAST! YOUR FAMILY, KIDS, AND SPOUSE AND LOVED ONES WILL ADORE SIMPLY SEEING MORE OF YOU. THEY WILL APPRECIATE YOUR SPENDING THE TIME WITH THEM WHEN THEY NEED YOU.

They will be a huge piece of your reason for succeeding. Your family and those who matter to you the most will be happy to support you, they will encourage you and give you the drive you need to push through. They will also look for opportunities to help you grow.

You can make MANY more memories with those you love because running your own business will allow you the flexibility of living on your own time clock!

Now is the time - there is no time like the present. I am excited to connect with you and help you become the kind of boss you want to work for... being YOU!!
