

Chemex Coffee Brewing:

by Wild Foods

1.

Place filter in Chemex
and rinse with hot water

2.

Discard water

3.

Grind 42g (6 tbsp) Wild Coffee
to size of kosher salt
and place in Chemex filter

4.

Place Chemex on scale and tare

5.

Take water just from
boil and pour slowly,
saturating all grounds to 150g

6.

Let "bloom" for 45 seconds

7.

Continue pouring
until you reach 450g

8.

After a minute,
fill to 650g

9.

Let water extract
for 2-3 minutes

10.

Remove grounds
and serve!
