

# Chemex Coffee Brewing:

by Wild Foods

1.

Place filter in Chemex  
and rinse with hot water

2.

Discard water

3.

Grind 42g (6 tbsp) Wild Coffee  
to size of kosher salt  
and place in Chemex filter

4.

Place Chemex on scale and tare

5.

Take water just from  
boil and pour slowly,  
saturating all grounds to 150g

6.

Let "bloom" for 45 seconds

7.

Continue pouring  
until you reach 450g

8.

After a minute,  
fill to 650g

9.

Let water extract  
for 2-3 minutes

10.

Remove grounds  
and serve!
