

## EXPERIENCE

### Facebook

Menlo Park, CA • Sept – Dec 2015

Product Design Intern

Delivered new user experiences to help small businesses participate in targeted advertising. Proposed concepts and prototypes varied from system-wide to self-contained flows. To be implemented in H1 of 2016.

### IDEO

Palo Alto, CA • May – Sept 2015

Communication Design Intern

Collaborated in a team of four to research, synthesize, and prototype a signage and wayfinding system for a major retailer. Joined the Toy Lab's mobile team and designed near-future and aspirational user experiences.

### NASA Coded Structures Lab

Mountain View, CA • Dec 2014 – Jan 2015

Freelance Identity Designer

Collaborated with an engineer to develop identities for Coded Structures Lab and its independent projects.

### LinkedIn

Mountain View, CA • May – Aug 2014

User Experience Design Intern

Conceptualized user experiences, illustrated an installation, and developed design patterns for Brand Connect, an international marketing conference.

### ArtCenter College of Design

Pasadena, CA • Jan – Apr 2014 • Jan – Apr 2015

Interaction Design 3 and 4 Teaching Assistant

Held weekly office hours for intermediate and advanced courses taught by Brian Boyl, Joy Liu, and Dave Bullock.
