

## Sermon GUIDE

April 02, 2017

**Title:** The "Word" Becoming Flesh

**Key Text:** John 1:14 | ["The Word became flesh and made his dwelling among us."](#)

During your prayer and reflection times this week, we'd encourage you to do three things:

(1) Spend time reading and reflecting on one or more of the scriptures listed in this devotional - If you're doing this in a Connect Group, we recommend choosing one of the scriptures and then reading it out loud a few times as a group, especially if you have different translations.

(2) Write down what the text says and then rewrite what it says using your own words.

(3) Next, set a course of action. Ask yourself two questions:

*"What can I do about what I've read?"*

*"Who can I tell about what I've read?"*

Then write down, or communicate to your group, the action step(s) you're going to take this week to walk out what you've come to understand. If you're in a group, spend time praying and blessing each other's action statement.

**Additional Scriptures:**

Genesis 1:1-4 (read along with John 1:1-5); Colossians 1:19-20;  
John 17:13-18; John 20:19-23
