

BB Imaging #2501 Among Inc. 5000's Most Successful Companies

Austin, TX (August 15, 2023)—Inc. Magazine has honored BB Imaging, an ultrasound and telemedicine company, on the annual Inc. 5000 list at #2501.

The Inc. 5000 is a ranking of the fastest-growing private companies in America and represents a celebration of American innovation and entrepreneurial leaders. This year marks the second consecutive year BB Imaging has made the list, placing #2849 in 2022.

“Our team has experienced so much growth in the last few years,” said Blanca Lesmes, CEO and Co-founder of BB Imaging. “I am delighted by our addition of so many highly skilled team members and their impact on both our onsite services and telemedicine product. Most of all, I’m excited about the way we are working together to make high-quality ultrasound accessible to everyone.”

BB Imaging will be present at the upcoming Inc. 5000 Conference in San Antonio, Texas from October 31st - November 2nd.

About BB Imaging:

BB Imaging was founded to bring excellent, compassionate, and complete ultrasound care to patients across a spectrum of needs. BB Imaging offers full-service onsite support as well as telemedicine support through their proprietary FDA-cleared technology, TeleScan. BB Imaging serves patients in a variety of settings and circumstances, including urban and rural locations across the U.S. BB Imaging’s mission is to improve health outcomes by making high-quality ultrasound services accessible.
