Fall 2019

Dear Friends, Adventures and Explorers:

Start spreadin' the news, I'm leavin' today
   I want to be a part of it
   New York, New York!
These vagabond shoes, are longing to stray
   Right through the very heart of it
   New York, New York!

Can you guess what Fred, Scott and I have come up with for a one-of-a-kind special tour? Yes, that’s right!!! We’ve talked about it for a long time and are planning a very special trip to New York City and Broadway!!

Here are general particulars, but please see the attached itinerary at the bottom of this letter for complete information.

New York City, Cruise the New England Coast & Quebec City
   September 8-20, 2020
   Marriott Marquis hotel in Times Square, two Broadway Shows,
   Cruise from NYC to Quebec City with stops along the way on the Queen Mary 2, and
   Two nights in Quebec City at the Fairmont Le Chateau Frontenac

   Space is limited so please contact Valerie ASAP to reserve your spot,

We have worked very hard to put this exclusive trip together. As I said, it’s a one-of-a-kind tour and as such, deposits for the land and cruise portions are a little different than if we were doing a more traditional cruise. A deposit is due now and final payment will be due by May 1, 2020.

We are planning our Broadway tickets to be one for “The Music Man” with Hugh Jackman as Harold Hill and Sutton Foster as Marion. It will be spectacular and one of the most-loved musicals of all time! [NOTE: “The Music Man” tickets are going so quickly that group tickets are not being offered. Due to that fact, we are buying tickets as people sign up with their deposit. Due to the demand, we cannot guarantee that anyone who waits to sign up for the trip, even though it’s not until next September, will get tickets for this play. If that were to happen, you would be able to select an alternate, Please call Valerie today and give yourself an early gift and join us on this very special trip!]

The second play we are planning on is “Come From Away”. It’s the true story of the 38 planes that were ordered to land unexpectedly in the small town of Gander in the
province of Newfoundland and Labrador, Canada, in response to the 9/11 attack. It’s inspirational and the story of how this small town took care of the many passengers.

Our hotels are 5-star properties and located in the center of Times Square in NYC and the Fairmont Le Chateau Frontenac in Quebec City is in the old City with the feel of a French village with quaint cobblestone streets, shops, galleries and more to explore.

The Queen Mary 2 is among the last of the grand ocean liners and has been on many people’s bucket list. Fred and his late sister, Martha took the Queen Mary in 1956 when it was common to travel to/from Europe via ship. With great memories of that trip, now 60+ years later, he’s off again and hoping that you’ll be with him to relive some of the grandeur of this beautiful ocean liner. We’ll be making stops in Boston, Newport and Sydney, Nova Scotia along the way and hopefully will be seeing some of the fall leaves that New England is so famous for.

Please take a look at the attached tour itinerary and if you are able to travel with us, please contact Valerie. As in past years, a $500 per person donation to the Festival is required and may be paid directly to the Festival anytime before our September 2020 departure.

We really hope you’ll be with us for this New York, Eastern seaboard, Quebec City adventure. We’ll have a wonderful time and would love to share it with you!

Jyl and Fred
