What a role!____ On-ly good for keep-ing egg-shells warm.

On the whole____ they have al-ways been more un-i-form.

mysterious $\dot{=}$ 90

This one's

dif-fer-ent__ This one's dif-fer-ent from the rest. I
can't be-lieve a tur-ckey's egg could fall in-to my nest. It's

just a freak of na-ture, Just a lar-ger grade of

all the oth-er eggs I've ev-er laid. This one's dif-fer-ent.

But there's dif-fer-ent, And there's
Honk!
