2018

FOUR TRACKS TO TRAIN, EQUIP AND INSPIRE  
A NEW WAVE OF VINEYARD LEADERS

BEING DISCIPLES  
MAKING DISCIPLES

VINEYARD CHURCHES  
aotearoa new zealand

Vineyard Training introduces Four Tracks, our multi-faceted strategy to train, equip and inspire a new wave of Vineyard leaders.

If you are called to the Vineyard, and to leadership, one of these Four Tracks is for you!

**Emerge** – a one-year track for emerging leaders, building foundations to grow and explore the call of God on your life.

**Interns** – a one-year fulltime track, conducted in your home church, exploring ministry, service and God's plan for your life.

**Leaders** – a two-year track to develop pastors (senior pastors, assistant pastors, worship pastors, youth pastors, children's pastors) and ministry leaders to take up the leadership call in our churches and church plants.

**Planters** – a one-year track developing a new generation of church planting as we head towards our bold vision to plant and grow 40 churches by 2020.

### **Four Tracks, one common purpose**

Vineyard Training is committed to laying an internal and external foundation that produces “ministers for life”.

# FOUR TRACKS:

## WHICH IS FOR YOU?

---

### EMERGE TRACK

You think you might be called to leadership, but you need to check it out first? Welcome to Emerge, our one-year track building foundations to explore the call of God on your life. Emerge trains and equips leaders with a sound understanding of the Kingdom of God, the Word of God, the Church, the Vineyard movement and basic ministry skills.

### INTERNS TRACK

You have a year to serve, give and lead and want to find out about how church works? Then the Interns Track is for you. Interns gain an appreciation of the local church while deepening their understanding of the scriptures, church history and discipleship. It's a learning-by-doing approach, the way Jesus modelled.

---

## LEADERS TRACK

You want to serve God at a deep and meaningful leadership level in your local Vineyard church? Well, that's great because we need dozens of new pastors and ministry leaders for the New Zealand Vineyard to thrive long-term. The Leaders Track is equipping a new wave of leaders for our plants and existing churches in a two-year, eight-module process offering the best thinking and learning of the Vineyard in New Zealand and internationally.

## PLANTERS TRACK

You think you might be a pioneer, someone who can make something from nothing? Then the Planters Track is for you, as we plant new Vineyard churches throughout New Zealand. Planting churches is the best method of reaching people for Christ, and this one-year training and coaching process has already released a growing number of church planters into our nation.

# LEADING TOGETHER

While each of the Four Tracks is individually tailored to suit different backgrounds, experience and senses of call, they also come together regularly to help build a common purpose for the Vineyard going forward. Therefore, all participants in our Emerge, Interns, Leaders and Planters tracks are part of:

## LEADERSHIP INTENSIVES

Combining all four tracks, our intensives are a great opportunity to hear God, develop vision and gain a perspective on the wider Vineyard – while also getting the best hands-on teaching and ministry opportunities we can offer.

**First Intensive: Auckland, April 13-14, 2018**

**Second Intensive: Stratford, August 31-September 1, 2018**

# LEARNING COMMUNITY

Our online Learning Community fosters a sense of camaraderie and shared learning as together we read and wrestle with a variety of books, and tap into a wide range of resources – downloads, research, articles, videos and other material – to help us grow and lead.

# MENTORING

We don't know it all, and we can't do it alone. Therefore, all Four Tracks participants have mentors and coaches from their own churches, regular times with their pastors and access to our best and most experienced leaders within the Vineyard movement in New Zealand.

# LIVE LECTURES

Participants regularly gather in cohorts around the country for lectures from New Zealand Vineyard leaders.

# SO YOU WANT TO SIGN UP?

How much will it cost and when do you have to sign up?

The Emerge, Leaders and Planters Tracks each cost \$150 per year, plus books and travel expenses. Sign-up deadline is February 16, 2018.

The Interns Track is different, because it's fulltime and NZQA-certified, so our Interns pay \$1980 per year, plus books and travel expenses. Interns can receive student loans and allowances if they meet eligibility requirements. Sign-up deadline is December 8, 2017.

An alternative, non-NZQA internship is also available. Contact [vt@vineyard.org.nz](mailto:vt@vineyard.org.nz) for details.

If you're ready to sign up today, choose which track you want to be part of at [www.vineyard.org.nz/vineyardtraining](http://www.vineyard.org.nz/vineyardtraining)

## HIGHER ACADEMIC QUALIFICATIONS

Vineyard Training is also able to offer bachelor's and master's degrees through our international Vineyard community.
