

NEW CONSTRUCTION CLOSURES

Beginning Monday 9/19/16, during working hours
(8:00am - 5:00pm / Monday - Friday),
the bridges between the
A-building (main residential tower) and
B-building (secondary shorter tower),
on the 3rd and 5th floors will be CLOSED.

These areas will be closed off to prevent falling debris from injuring residents or guests traveling between buildings.

For your convenience, a temporary canopy has been created on the 7th floor bridge. Please utilize the bridge on the 7th floor to travel between buildings.

The open stairwell on the Ewa (west) end of the B-building will remain open to go upstairs and downstairs from floor to floor.

Your patience in this matter is greatly appreciated. If you have any questions, don't hesitate to contact our office regarding this or any other matters. We can be reached at (808) 922-8160.
