**RE: RELOCATION OF VEHICLE DURING WORKING HOURS**  
**APARTMENT \_\_\_\_\_ PARKING STALL \_\_\_\_\_**

Dear Homeowner,

You are receiving this letter because you own a parking stall in the B-building at “Aloha Lani” 2211 Ala Wai Boulevard in Honolulu, Hawaii. As you may be aware by now, the property has been under major renovation over the last 16 months. Aloha Lani’s general contractor, EKO Painting and Concrete Restoration, has now begun work on the B-building (East/Secondary/Diamond Head Tower).

During this portion of work the contractors will require removal/relocation of vehicles in specific parking stalls. Most of the stalls will need to be vacated only during working hours (8:30am - 4:30pm) Monday through Friday; excluding recognized holidays. Any parking stall that is required to be vacant for a consecutive period of 24 hours or more will be accommodated by the Association. All other parking stall occupants will be expected to relocate on their own during the required period.

The Association is communicating these estimated dates so residents and off-site homeowners will have an appropriate amount of time to make the necessary accommodations. Any vehicles that are not moved during the scheduled working periods may be towed or relocated at the expense of the vehicle owner. The Association and it’s contractors will not be responsible for any vehicles that are damaged as a result of the vehicle owner’s failure to comply.

Please review the attached schedule document. The attached preliminary schedule will serve as a starting point for vehicle owners to prepare. It will be crucial for vehicle owners to frequently check if this schedule has been changed or updated. As the concrete restoration and painting move along, we will be constantly updating our posted schedules. If there is a delay in work, we will have to push back the dates affecting each parking stall.

The easiest way to see if the schedule has been updated will be checking the on-site bulletin board. The bulletin board is mounted next to the elevators inside the main lobby. If you do not have access to the bulletin board, you may also check the Association’s public website [AlohaLaniCondos.com](http://AlohaLaniCondos.com) . If you do not have internet access and cannot physically check our bulletin board postings, you must call our office (808) 922-8160 Monday through Friday during business hours (8:00am - 4:00pm) for an update.

Thank you for your cooperation throughout this project. If you have any questions regarding this matter you may contact our office at the phone number detailed above or email me at [Aloha-Lani@hotmail.com](mailto:Aloha-Lani@hotmail.com) .

Regards,

Jacob Roller ARM®
