

UNIVERSITY ACCREDITED LEADERSHIP COURSES

In your work as an educator, are you interested in learning how experienced Marist leaders understand and practice educational leadership?

And since we call ourselves Marist, how do you understand what we call the Marian dimension of educational leadership?

Marist Tertiary Education is offering two University accredited courses this year which will address these questions and more, whilst providing opportunities for practitioners of 2018 to share their learnings and experience.

Study literature on leadership and Marian studies as you tackle challenging essay topics which help you discover your own understanding of what it means to be a Marist leader in today's educational and social environment.

If you are undertaking a Masters degree at ACU, NDA or BBI, then gain one or more credits for your degree through enrolling in one or both of these accredited Units at <http://msa.edu.au/registration-for-programmes>
