Delicious Frozen Biscuits & Baked Goods

Our biscuits are just the beginning.

Real food isn't made in a lab or an office—it begins in someone's kitchen. Our products began this way, too. The best food is not only made with the finest, all-natural and wholesome ingredients—but with special care and attention—and our baked goods have been lovingly crafted

to delight you and inspire warm memories. Guests of our family-owned restaurant, The Robinhood Meetinghouse, have enjoyed our food and shared stories with each other at our tables for many years. Now we invite you to do the same—at your family's table.

- ◆ Ready to bake biscuits and pastries, ready in 25 minutes.
- ◆ Our artisanal folding technique adds puff pastry's flaky elegance to the comforting simplicity of a beloved biscuit.
- ◆ Varieties made with real food, like blueberries, sweet potatoes, herbs, cheeses and fair-trade chocolate.
- ◆ All natural, clean ingredients with no additives.
- ◆ Most products are Kosher certified
- ◆ Four products fit on one 30" freezer door shelf
