

Fair Trade Dayenu

by Talia Cooper

We all love our chocolate sweets but
Check before you go to eat it
Do you know how it's been grown now? Dayenu
Day-Day-enu Day-Day-enu Day-Day-enu
Day-Day-enu Day-Day-enu Day-Day-enu (x2)

We still call it slavery when
Children work and are not free
Free them from their slavery then Dayenu
Day-Day-enu... (x12)

Sing if you refuse to take it
Children shouldn't have to make it
Blood for chocolate, who'd of thought it?
Dayenu

Doesn't matter what your age is
You deserve your working wages
Fair conditions, no omissions Dayenu
Day-Day-enu... (x12)

Don't we say to love your neighbor?
So we must fight for fair labor
Tell your friends that we can end it Dayenu
Day-Day-enu... (x12)

Hersheys, Nestle, Toblerone
Ban them from your house & home
Left & right we'll keep the fight 'til Dayenu
