CONFLUENCE AMERICORPS PROGRAM
The Confluence AmeriCorps Program advances environmental equity through innovative partnerships with local organizations in the Portland metropolitan area. We offer life-changing service opportunities that engage members at the intersection of environmentalism and social justice while promoting individual leadership and development. This position is a dynamic combination of serving with a Project Partner on a dedicated project (80%) and engaging in professional and leadership development opportunities alongside a member cohort (20%). EQUITY & INCLUSION
Confluence does not discriminate against any person or group on the basis of race, age, creed, color, religion, national origin or ancestry, gender identity, ability, sexual orientation, expression, pregnancy, parents/guardians with children, or veteran status. Confluence is committed to a diverse workplace, and to supporting our members and staff with ongoing equity trainings and career development opportunities. Confluence, like many environmental programs, has historically been a predominantly white space, and in an effort to decolonize dominant structures of oppression, we strongly encourage people of color to apply.

Confluence provides reasonable accommodations to applicants and employees. Applicants with disabilities may request a reasonable accommodation and/or alternative formats at any point in the employment process.

POSITION TITLE
Education and Green Street Outreach Coordinator

PROJECT PARTNER
City of Portland, Environmental Services Bureau,

POSITION SUMMARY
This position is in partnership between the Confluence Environmental Center, AmeriCorps Program, the Bureau of Environmental Services, Clean Rivers Education and Green Street Steward programs.

The Clean Rivers Education Program offers free K-12 classroom and field science programs focused on Portland watersheds, water quality, stormwater and wastewater. The Member will support Clean Rivers Education classroom and field trip programs. The work includes time outdoors in all weather, often on uneven terrain. Field programs take place in Portland parks and natural areas (40%).
The Green Street Steward program (GSS) works in close collaboration with community partners and residents for clean rivers, healthy watersheds and livable, sustainable communities through promoting and stewarding Green Streets (i.e., bioswales). The Education and GSS Outreach Coordinator will build on the successes of previous AmeriCorps Members by inviting community members to participate in the care of green streets through community education and watershed stewardship activities. Green Streets function optimally for watershed health when knowledgeable residents keep a watchful eye out and assist in green street care. The Member will recruit and train volunteers, manage data, develop and organize materials to foster green street stewardship (40%).

The Member will participate in Confluence led leadership development activities which include: Leadership Development Training Series, completing a Change Agent Project (CAP), team meetings, National Service events and other self-directed development opportunities (20%).

ESSENTIAL FUNCTIONS (to include, but not limited to)

• Support Clean Rivers Educators in classroom lessons and outdoor field trips.
• Independently lead small groups of students in field science activities such as water quality testing, plant identification, nature hikes and macroinvertebrate sampling during field trips.
• Recruit community volunteers to become Green Street Stewards and support their stewardship activities.
• Develop, plan, and execute green street stewardship projects in close partnership with community organizations and city bureaus and programs with a focus on opportunities in low-income, racially diverse communities.
• Establish innovative methods and projects to foster green street stewardship.
• Strengthen existing and develop new relationships with communities representing Portland’s underserved populations.
• Develop, coordinate, and lead stormwater outreach and education activities, including the Art of Stormwater exhibit with low-income, racially diverse community groups and schools.
• Complete and submit all necessary paperwork and reports in a timely manner; attend and complete all training and service requirements; wear Confluence uniform and/or appropriate identifiers and required safety gear while performing service or attending official events.
• Abide by program and AmeriCorps policies. Under no circumstances will Members be asked to perform prohibited activities outlined in the approved grant.

POSITION REQUIREMENTS

• Interest and experience working with youth (K-12).
• Ability and willingness to work outdoors, work in inclement weather, occasionally work evenings, and weekends, and to lift up to 40 lbs.
• Ability to work independently and develop individual learning goals, projects goals, measurable outcomes, timelines, and reporting.
• Experience with diverse populations, particularly communities of color, immigrants, and people with limited economic resources.
• Strong organizational and interpersonal communication skills.
• Possession of a valid driver’s license with a clean driving record and the ability to provide documentation.
• Desire to serve diverse communities to promote education, environmental stewardship, and an ethic of service.
• Openness to learning about and discussing racial equity and social justice issues, and to serve as part of a diverse team.
• Regular and reliable attendance and dependability.
• AmeriCorps Members must be: 18 years of age or older at beginning of service term; U.S. citizen, national or lawful permanent resident; in possession of a high school diploma or equivalent, or commit to earning one prior to receiving education award; able to commit to the full term of service; able to successfully pass a fingerprint criminal history background check and satisfactory report from the National Sex Offender Public Website (NSOPW) prior to the start of the position.
