CELLAR NOTES

2011 was a relatively cool and late vintage for the reds delivering wines of elegance and finesse. All the fruit for the Ironclad comes from estate owned vineyards off steep north facing vineyards. The fruit is carefully hand harvested and delivered to the winery in impeccable condition before a further rigorous sorting in the winery.

The decision was made to ferment without crushing which is quite often the case in the cooler vintages at Man O' War. The fruit was treated gently with a pre and post ferment soak with gentle pump overs with hand plunging twice daily during the actual fermentation stage.

All the parcels of fruit were fermented and barrelled separately before blending in the New Year. The 2011 Ironclad has 29 components contributing to the blend which was finalised in August of 2012 and bottled in late February 2013.

TASTING NOTES

Predominantly Merlot and Cabernet franc, the nose has aromas of sweet ripe fruit with lifted aromas of crushed red berries and darker cassis with hints of floral perfume from the Malbec and Petit Verdot with a flourish of tobacco and cedar from the Cabernet Sauvignon. The palate is vibrant, exuding ripe fruit and a rich texture finishing with supple fine grained tannins. The 2011 Ironclad shows great fruit accessibility with a powerful structure coated in luxuriant fruit, supple yet powerful. It is an engaging wine in its youth that will reward patient cellaring revealing a refined structure and greater complexity with age.

IRONCLAD

Ironclad is named in honour of the 19th Century warships characterised by the iron armour bolted onto their wooden hulls, much as iron courses through the veins of our warm clay hillside vineyards.

This wine is bottled and protected under screw cap as we believe it is the best closure for quality wine.
