“Creating the Constitution”

Note: I forgot to give you the title slips to paste into your notebook for *Parts of the Constitution* and *Articles I - VII*. I will have those for you in class next week. Please leave room at the top of your pages for them.

Assignment:

1. Complete the work that your group started in class: *Articles of Confederation, Plans and Compromises*, **OR** *Federalists vs. Anti-Federalists*. You do not have to work on the other groups' sections (we will co-teach them in class next week).
2. On the next blank page of your notebook, paste the pink trifold (*Parts of the Constitution*) so that it can be folded like a brochure when you are done. Write a brief description of each section of the Constitution on the appropriate flap. Fold it with the left flap on top when it is closed. You may decorate the blank side of the flaps if you wish.
3. Paste the gold flapbook (*Articles I - VII*) into your notebook and snip the flaps apart. Write a brief description of each article under the appropriate flap.
4. Update your Table of Contents to reflect additions to your notebook.

Submission:

Please place your composition notebook in the designated area when you arrive on Wednesday. I will review your work and comment as needed. I will return your notebook at roll call in class. If you have any questions, please ask! The dedicated email address for this class is WEBAmCiv@gmail.com.
