# Baker Luncheon-Learn Educational Seminar

March 13th, 2018

*LP Building Products Presents:  
“Fire-Rated Cementitious Coated OSB  
(FRCC OSB) for Wall and Roof  
Sheathing Applications”*

## **Course Learning Objectives include:**

- Describe the components of FRCC OSB.
- Demonstrate how FRCC OSB meets code requirements.
- Discuss testing standards relevant to FRCC OSB.
- Describe and discuss FRCC OSB applications.
- Discuss the environmental benefits of FRCC OSB.

**After the conclusion of the presentation, a brief discussion will elaborate on how LP Building products and services can help to resolve many project concerns outlined in the presentation.**
