

## A Celebration of the Arts February 23rd - February 26th

Colours is a celebration of the Arts in Shafter, California. This is a four-day event at several venues from Thursday, February 24th through Sunday, February 26th, 2017. The COLOURS event will showcase “Transformed Art” in many forms ranging from canvas, sculpture, film and stage to wine, food and music.

Transformed Art is using one’s talents and abilities with the intent to create a product that reflects what is true, honorable, right, pure, lovely and of good repute, excellence and worthy of praise. It is our desire to strike a spark or fan a flame so people will integrate their artistic passions and talents.
