PICK YOUR OWN DATE! SUMMER THROUGH FOLIAGE & OKTOBERFEST at Honora Vineyard, West Halifax, Vermont

We begin with a stop at the Apple Barn and Country Store in Bennington, Vt. Browse through wagons filled with Vermont cheese and maple syrup, and delight in their bake shop with over 40 homemade treats. Enjoy coffee and an apple cider donut, then take a narrated bus ride to the top of a 300-acre apple orchard to view the most spectacular scenery of Southern Vermont.

Continue our “taste” to Honora Winery where they take pride in producing exceptional Vermont wines by growing cold-hardy grapes. You will enjoy the spectacular view of 3 different states from this beautiful vineyard! Tasting 4 different wines is enjoyed in a beautiful, 6,000-sq.-ft. event center. The French doors that surround the building allow beautiful views in every direction.

Lunch at the Honora Vineyard where everything is local and seasonal.

On the way home, take a full tour at the Bennington Pottery Barn, Bennington, Vt., where you can watch these beautiful pieces being made!
