

Air & Sea Forwarding

## Transport Insurance – Why?

Transport damages – to act *before it's too late!*

TransAir Danmark A/S is a professional freight forwarding company with more than 20 years of experience in the field of international transport and logistics. Our core values are:

- Customerfocus
- Professionalism
- Optimization

Transurance A/S is an insurance broker who specialises in transport insurance and is reinsured in Lloyds. Transurance operates to offer flexible competitive insurance to the international merchant.

As a purchaser of transport You have issued a vote of confidence to us as Your transport provider – it's a must that your goods reach the destination safely. TransAir Danmark A/S displays the greatest efforts and act professionally thus many transport damages are avoided. But transport is an industry and damages occur. When misfortune strikes the transport providers most likely will have a limited liability. Often this means that You cannot gain full compensation for the loss You have suffered.

A transport insurance covers the damages which occurs on your goods during the transport. When doing international business You might find yourself in a situation where you have to claim your loss from a foreign service provider and the proper forum most likely will be determined by the residents of the foreign transport provider. The costs of claiming your loss abroad is likely to surpass the value of the claim.

**By insuring your goods, you achieve the following benefits:**

- Danish proper forum
- Professional claim handling
- Faster reimbursement of the claim
- Security against Gros Havari

### And the cost?

A transport insurance is cheaper than what one might think. The insurance premium is calculated as a procentual charge of the value of the goods + freight charges + imaginary profit. The procentual charge is determined by the trade lane and the commodity.

### How to insure your goods?

Contact TransAir Danmark A/S and let us help you determine Your needs of insurance. Upon identifying your needs you do not have to act any further. TransAir Danmark A/S will contact our Transurance and file your insurance needs and report each shipment through TransAir Danmark A/S directly with Transurance – the insurance charges will be displayed directly on your freight invoice from TransAir Danmark A/S. It couldn't be any more simple. TransAir Danmark A/S always insures on Institute Clauses A or "Udvidede Danske Betingelser". This gives you the best protection. Contact TransAir Danmark A/S for more information on transport insurance.

DANSKE SPEDITØRER

Members of the Nordic Freight Forwarders Association. All services rendered are subject to the General Conditions of the Nordic Association of Freight Forwarders (NSAB2000). Under these conditions our liability for loss of, deterioration of or damage to goods is limited to SDR 8,33 per kg and our liability for delay is limited to the amount of freight, but not exceeding SDR 50,000, per order. In connection with storage, the freight forwarder's total liability for damage is limited to SDR 500,000 for any incident of damage occurred (clause 27). Special attention is directed to the stipulations that claims against the freight forwarder are statutebarred after one year (clause 30) and that the lien on goods (clause 14) applies to both current and previous claims. Claims for freight etc. must be honoured regardless of the terms of delivery under the contract of sale or freight agreement (clause 10).
