Any information about your financial circumstances, payment arrangements or status will be kept strictly confidential.

Payment for Levies is required by first week of term 1 2017
 Please bring this completed sheet with you when making payment.

Education Resource Charge

The Education Resource Charge supplements government funding that comes to the school. It supports a range of services and purchase of materials that are not provided for in Department funding. It is expected that parents provide the materials and services themselves or pay the College to provide them. Paying the College enables purchases to be made in bulk and services provided across the whole school rather than to individuals. This represents a cost saving to parents. Examples of what these charges cover include cost of providing a regular newsletter and College Yearbook, provision and maintenance of lockers, sport affiliations and technical support for all students.

Payment of these items is required for each student

The 2016 Education resource charge for a student in:

Year 7 – 9 \$185
 Year 10 – 12 \$195

The Education Resource Charge may be paid in one sum or as instalments over terms 1-3 with statements sent home each term. It is very important that parents / guardians make this payment promptly as it contributes directly to student's access to resources.
