Congratulations to our Year 12 Students – Yasmina Elmerkaoui, Wassif Hajje & Anthony Trajkoski who were successful participants in the Latrobe University Aspire Program and have been offered University places at La Trobe University for 2016. The courses they have been accepted into are:
Yasmina Elmerkaoui - Bachelor of Early Childhood and Development
Wassif Hajje – Bachelor of Laws
Anthony Trajkoski – Bachelor of Law and Commerce

The Aspire Early Admissions Program acknowledges students' volunteering efforts when they apply. As a successful applicant, they receive an offer into a course in September before they receive their ATAR. It is about wanting to recognise students who share La Trobe's values.

As a successful Aspire student, Wassif, Anthony and Yasmina were invited to take part in an enrichment program, designed to support them through the final stages of high school and prepare them for life at La Trobe. The enrichment program offered:

- VCE/HSC revision lectures held in the September school holidays
- Mentoring from a La Trobe student ambassador
- Access to the La Trobe Library on all campuses
- Invitation to a 'Welcome to La Trobe' event
- Various on-campus events and activities.

Well done Wassif, Anthony & Yasmina – we wish you all the best in your future studies as you become the leaders of the future!
