

Hot Studio Classes - Classes carried out in our studio heated to up to 42 degrees to promote flexibility, releasing muscular tension, toning and strengthening the body whilst encouraging weight loss and detoxification

Hot Yoga - Suitable for all levels – the postures taught are static and taught individually which make it perfect for beginners. The whole body is worked and the class is focussed heavily on alignment.

Beginners Hot Yoga – Suitable for all levels and in particular beginners – this is the perfect introduction to the hot studio. Each week there is a different focus, the class moves at a slower pace and extra guidance is given.

Hot Yoga Flow 1 - Suitable for brave beginners and all levels - this is a Vinyasa class (flowing synchronization of body movement and breath). Flow classes involve a certain level of co-ordination so we recommend if this is your first Yoga class that you attend Hot Yoga first and then progress into Hot Yoga Flow 1. The class includes a short meditation at the end.

Hot Yoga Flow 2 - Suitable for experienced levels - dynamic and detoxifying – a great class to progress onto after attending Hot Yoga Flow 1.

Hot Align & Flow Yoga - Suitable for all levels - flowing sequences centred around the Anusara universal principles of alignment. Students will learn the biomechanics behind body alignment and how to reach their fullest expressions in poses. The class incorporates intention setting, pranayama (breathwork) and meditation.

Hot Dynamic Yoga - Suitable for experienced levels - this class brings the principles of Ashtanga Vinyasa Yoga into the hot room. Poses are linked together through an organic flow using the breath, designed to increase flexibility, strength and stamina.

Hot Evolutionary Flow - Focusing on the evolution of self, mind and practice through eastern philosophy and western science. To encourage and enhance the flexibility of the brain, mind and body. Expect a well-articulated flow with longer holds, revealing unconscious patterns and challenging your stamina to understand how the brain resists change. Giving a unique insight in how to learn to work according to your brain rather than against it, on and off the mat.

Hot Forrest Yoga - Suitable for all levels - Forrest Yoga is a strong practice that works to release tension and build greater awareness throughout the body through breath, core work and sequencing. With a strong focus on healing, you will learn to tailor poses that best work for you whilst building strength, flexibility and integrity in your practice.

Hot Relaxation Yoga - A slow, mindful yoga practice focusing on the breath. Postures will create a sense of release and relaxation. A perfect practice to let go of your week.

Hot Rocket Yoga - A dynamic, fast paced class for intermediate/advanced students. A great class to explore more advanced postures.

Hot Pilates - Suitable for all levels - this class has the benefits of a Pilates mat class, adding the element of heat. You will stretch deeper, get your heart rate up and work your core. The high temperature increases blood flow and burns calories whilst sweating out toxins.

Also available in the hot room – see traditional classes descriptions:

Hot Thai Yoga and Hot Yin Yoga Meditation

Hot Forrest is practised at a slightly lower temperature in the hot room

Traditional Studio Classes
