LaunchPort Sleeves

Hold. Charge. Protect.

The Sleeve is a form fitting case that wraps around iPad and keeps it safe. On the back, the circle aligns iPad-in-Sleeve to either a WallStation or a BaseStation. The magnets inside the Sleeve create just the right holding force. Strong and sturdy on the wall or easy to grab on the table top. Choose between soft touch black or a high gloss white finish.

- Inductive charging, protective case
- Built in wave guide
- Ergonomically designed
- Contains embedded Neodymium magnets for secure mounting to wall of any metallic surface
