# MAC<sup>TM</sup>

Proudly NZ owned, and manufactured, the new MAC branded range of plastic fuel containers has been designed, trialled and tested right here in New Zealand.

Available in sizes 5L, 5L, 2 Stroke, 10L, 20L and 20L Diesel, each MAC Fuel can has an ergonomically designed carry handle making it easy and comfortable to hold, even when full. The Unique MAC can shape has been carefully constructed to be both stable and space saving during transportation, as well as hang comfortably by your side when carrying.

All MAC cans are approved by the Australian and New Zealand testing standard AS/NZS 29061999.

# TUFFBOX

MULTI PURPOSE STORAGE SOLUTION

Multipurpose and highly versatile, the TUFF BOX range of Heavy Duty utility storage is perfect for contractors, Ute storage, emergency equipment, camping supplies, and so much more.

Made from tough impact structural foam injection molded plastic, these boxes will not fade, shrink or distort and are water and rust proof. This along with UV and chemical resistance means the TUFF BOX is an ideal choice when heavy duty storage is required.

TUFF BOX is made in Canada, and carries a 5 year manufacturer's warranty. Available in sizes: 75L, 170L & 190L.

Stockists are Mitre 10 Mega, Placemakers, and Storage Box.
