

Plant Name Label

Plant Name Label showing placement of details (Label pictured is larger than actual size).

E.g. plant name, exhibit number and if seedling a green dot.

***Exhibit numbered stickers** will be issued when booking plants in at the door, these must then be recorded on this form corresponding to the plant entered. The stickers are to be attached to the **Plant Name Label** on all entries as shown on this form.*

***Exhibit Label** to be 9.0 cm x 5.5 cm.*

For **Seedling plants** please place the **LETTER (S)** in column marked seedling on the entry form, and attach a green dot to the plant name label as shown on this form. Seedling dots will be available when booking in plants.
