3.0 INTRODUCTION

3.1 What is gymnastics?

Gymnastics is a foundation sport that can prepare athletes for success in all sports. It offers a range of benefits to participants through the development of strength, flexibility, speed, balance, coordination, power and discipline. Children involved in an effective gymnastics program will experience activities that will contribute to growth in all facets of their development.

3.2 Why BGS Gymnastics?

The Brisbane Grammar School Gymnastics program has been running since the beginning of the GPS association (1915). The BSGC has been in operation since 2000 and the program offers a Men's Gymnastics program for boys born in 2011 and older. The purpose built gymnastics hall is fitted out with all the requirements for Men's Gymnastics. The Gymnasium includes Olympic standard equipment and a large foam pit with dismounts from all apparatus.

Members of the BGS Gymnastics program have enjoyed success at all levels of competition with countless gymnasts representing Queensland and Australia through this fantastic sport. The program has within it 2 systems including the GPS programs as well as a Club which is set up for external gymnasts.

4.0 POLICIES

All Brisbane Grammar School policies are available from the ISC Office.

5.0 CODES OF BEHAVIOUR

5.1 Gymnasts

The following guidelines should be adhered to by all gymnasts. Failure to do so may result in exclusion from the program.

- Dress appropriately for your lesson (The uniform policy is in this Handbook under 7.0)
- Arrive on time
- No jewelry to be worn
- Do not enter the gymnastics floor without your coach's permission
- Be considerate of other gymnasts and coaches
- Use appropriate language at all times
- No gymnast is to leave the gymnastics floor without informing their coach
- Leave the gym looking tidy. All equipment should be stacked neatly in a designated area after use. Breakages are to be reported immediately. The gymnast's store room/bag area is the gymnast's responsibility to keep clean. Any litter should be placed in the bin
- Respect all equipment and the facility with a zero tolerance on vandalism
- At all club functions, whether practice, competitions, or social gatherings gymnasts are expected to behave in such a way that their actions reflect positively on the team and BGS
- Gymnasts are only to communicate with their parents at training/competition in an emergency or when the coach has requested it. Other than that they are in the care of their coach
- Follow all coaches instructions to avoid any unnecessary problems arising
- BGS takes no responsibility for the gymnast's personal belongings.

5.2 Gymnastics Coaching Staff

All coaching staff at BGS are expected to adhere to the values of the school. All staff should be prepared for each lesson which includes (but is not limited to):

- Prepare suitable lessons/activities
- Have activities set up prior to start of the lesson (where possible)
- Be enthusiastic and encouraging, using positive praise with constructive criticism
- Use appropriate language at all times
- Ensure proper attire is worn at training/competition sessions and all gymnastics related events
- Ensure that the training standards of the gym are followed in all competitive and recreational classes
- Ensure to conduct themselves in a professional manner at training and at any gymnastics related activity
- The gymnasts are the coaches priority in allocated class times not the parents
- Adhere to all Brisbane Grammar School Gymnastics policies and the coaches Handbook
- Coaches have no responsibility to talk with parents outside of the gymnasium

5.3 Parents

Parental involvement is an important part of gymnasts' development. You can help by following these guidelines however if these guidelines are not followed you and your son may be asked to leave the program:

- **Gymnasts are the responsibility of their parent's before the start and at the completion of their lesson. Parents are not to interact with the athlete during the lesson unless in the event of an emergency or they have first spoken with the MiC/Head coach**
- **During the lesson parents may watch only from the viewing area located on level 2 of the ISC to minimise distraction. It is unacceptable to be in the gymnastics hall at any time**
- **Prompt pick up of your son is expected. Your son is to be collected from the entrance of the gymnasium. If you would like your son to have permission to leave the gym without you there it must be organized with the MiC/Head Coach**
- **If you would like to speak with your son's coach please do so after the lesson in a positive manner and off the gymnastics floor. This may only be done in the gymnasium. Do not disturb the class unless there is an emergency**
- **Do not compare your son with other gymnasts as this is not beneficial for your son's health or enjoyment of the sport**
- Focus on your child's efforts and performance rather than winning or losing
- Show appreciation for good performance by all participants (including opposing participants).
- Respect officials' decisions and teach children to do likewise
- Be a positive role model
- **If there is a problem/complaint the MiC/Head Coach must be involved in the meeting with your son's coach and this is to be organised at an appropriate time**
- If your son is unwell please do not bring him to training. **Coaches have a right to remove your son from the class if they believe he is unwell**
- **Respect all coaches and allow them to do their job. Think before you make judgment. If contacting the MiC/Head Coach in regards to a complaint please do so in a respectable manner and time**

5.4 Administrators

Club administrators play a crucial role in club development and operations. To ensure effective operations of the club all administrators should:

- Involve people in planning, leadership, evaluation and decision making.
- Create pathways for people to participate in sport, not just as an athlete but as a coach, judge, administrator, etc.
- Ensure quality supervision and instruction is provided for junior participants.
- Remember that people participate for their enjoyment and benefit. Do not overemphasise awards.
- Help coaches and officials highlight appropriate behaviour and skill development, and help improve the standards of coaching and judging.
- Remember, you set an example. Your behaviour and comments should be positive and supportive.
- Support implementation of all policies of Gymnastics Australia, the State Association and the club.
- Make it clear that any abuse is unacceptable and will result in disciplinary action.
- Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background or religion.

5.5 Judges

The role of judges is such that a competition could not be held without them. As a judge at a competition you are expected to:

- Be fully conversant with the MAG FIG Code of Points and/or any other published rules and regulations pertaining to the standard of gymnastics being judged
- Dress appropriately
- Be punctual for all official events (including briefings)
- Be co-operative with competition organisers, floor managers, announcers and head judges

9.1 Registration Fees

Gymnasts are required to submit a completed Enrolment Form before their 2nd lesson to ensure registration and their spot in the group. Registration fees ensure gymnasts are insured for accidental injuries that occur during training as well as covering administration costs. A new form only needs to be completed if there has been a change of contact details.

Gymnasts must also be registered to be eligible to attend Regional and State Competitions. Gymnasts transferring from another club must still pay the full amount below. Registration fees are a 'once per year payment' as per the table below.

Date Joined	Term 1	Term 2	Term 3	Term 4
Cost of Registration	\$95	\$75	\$55	\$35

9.2 Term Fees

Term Fees are distributed via email in the first few weeks of each term. The 2016 Fee Schedule is as per the table below.

Hours per week	Cost per hour (incl. GST)	10 Week Term*
1	\$20.00	\$200
1.5	\$17.00	\$255
2	\$15.00	\$300
3	\$13.00	\$390
4	\$12.00	\$480
6	\$9.00	\$540

17+	\$4.00	

*These figures should be used as a guide only and do not include registration. Actual term fees may be affected by public holidays.

All quoted fees include GST.

Term fees are calculated on the number of weeks in Queensland State School terms. Where classes fall on a public holiday, fees will be adjusted or alternate training times will be arranged by the squad's coach. When a gymnast trains a certain amount of hours that are not on this table the closest figure will be adjusted accordingly to create the correct rate per hour.

Where a gymnast joins part-way through a term, fees will be adjusted proportionately. BGSGC do not have a lesson make up policy. There will be no refunds for gymnasts who miss any sessions for any reasons including medical or leaving the Club through the term. If there is any other reason why the fees should be adjusted the MiC/Head Coach must be made aware.

Training during public and school holidays will be determined by each squad's coach. Fees for these sessions are based on a casual rate. Parents will be notified of specific fees with the training times for these sessions each term.

9.4 Competition Fees

Competition entry fees are not included in Term Fees. Invitational Competition fees are set by the host club and are usually \$50 - \$70. Approximate Gymnastics Queensland event entry fees for 2016 are as follows (please note these are draft fees only):

Regional Championships	\$75.00
Grand Prix Events	\$55.00
State Championships	\$100.00
State Club Championships	\$70.00

9.5 Fees not being paid

Invoices are due within 10 days of the invoices being distributed. If the fees have not been paid in this time you will receive an email chasing these fees up. If fees remain unpaid following this email your son will be removed from the program until the fees are paid.

9.6 Illness and Injury

Whenever possible, the coach should be informed in advance of an illness or injury. It is often possible for a coach to provide a modified program to an injured gymnast to ensure a speedy recovery and maintain fitness while injured. Injuries can often provide gymnasts with an opportunity to develop weaker areas of their gymnastics training.

If your son will be out of the gym over a long period of time with an injury or illness, please notify the club so the coaching staff is aware of the problem.

If you are not receiving emails please inform the MiC/Head Coach immediately as this is the most common way of relaying information.**

13.0 DROP OFF / PICK UP

Brisbane Grammar School enforces strict regulations regarding school access and parking at the Spring Hill campus. These include:

- A Boom Gate which is stationed at the rear staff car park entrance (via College Rd) will be operational on all weekdays from **6.45am-9am and 2pm-4pm.**

Drop Off:

BGSGC provides a staff member to meet gymnasts at the top of the school (Cnr Boundary St & Gregory Tce) and escort them to the ISC prior to the start of classes beginning at 3.30pm on week days. Coaches will arrive at the drop off zone by 3.15pm and leave by 3.25pm, therefore ensuring all classes can start on time.

Pick Up:

BGSGC takes full responsibility for your child if dropped with our pick up coach at the drop and go zone. Responsibility of any child remains that of the parent's, until class commences and immediately upon completion of each class. Coaches often have follow on classes and cannot maintain supervision of each child beyond the end of their scheduled class.

Parents pick up and drop off (if applicable) gymnasts in the gymnasium, prior to and at the completion of their class (Parents are not permitted in the gymnasium before the end of class. Viewing is only permitted from the level 2 seating area, not within the gymnasium area). If running late your child will be requested to remain in the gymnasium on a bench until the parent arrives.

If your child participates in the final class of the day, and you're running late your child will be placed in the care of the ISC Assistant Manager on duty (if available) in the Foyer area of the ISC.

Your understanding and cooperation in this matter is appreciated.
