Arrival at CAMP DRAKE

You should plan to arrive on first day of your week at camp, between 1:00 - 3:00 p.m. Units unable to arrive during this time should make prior arrangements with the Camp Director. Upon arrival in the parking lot, a staff guide will welcome you and assist you in the check-in process. The staff guide will take your troop to the designated campsite and assist with your set-up.

After dropping off your equipment and doing a little primary set-up, your guide will lead your unit to the location of the medical re-checks. Please have Scout and adult Health Histories on hand to turn over to the Health Officer. The pack will then have their orientation and swim check in the pool, and a briefing on dining hall procedures. Your pack will then have an opportunity to return to camp to complete their set-up.

Sunday supper will be the first meal served, and will be at 5:45 pm. The first flag ceremony is at 5:35 pm. After dinner there will be a leaders meeting, additional tours of camp for Scouts, and the opening campfire hosted by the Camp Staff in the arena.

Pack trailers will be allowed in campsites, but will need to be transported by official camp vehicles and staff. Personal vehicles will not be permitted in campsites.
