

# Follow the Path of the Whitetail

April

Camp Robert Drake

**Headquarters for check-in is in front of the Trading Post**

*All levels of Scouting from Cub Scouts to Boy Scouts to Venturers are encouraged to participate in this fun hiking event on the Onaquispasippi Trail. Join the first big springtime celebration in the wonderful warm weather (by stating this, I have doomed the event to have 30 degree temperatures amidst a chilly drizzle). Whatever the weather, it won't dampen the spirits to get out and enjoy the scenic vistas of the ridges and valleys of the Salt Fork River along the edges of Camp Drake. Bring your camera for the stunning view of the forest.*

## One talented Scout will win a handheld camping device
