

Safari Adventure

**Blue Session:
July 5 to 8**

**Gold Session:
July 23-26**

Travel away to your safari encampment for the 2017 Cub Scout Adventure Camp at Camp Robert Drake. For two fun-filled sessions, your Cub pack can experience the tropical discovery along the banks of the Salt Fork River. Wade through an afternoon in the cool blue waters of the pool. Make a speedy splashdown on the extra-long slip and slide. Take a boat cruise on the waters of Poncho Pond as you search for exotic wildlife of the wetlands. You will even be able to swim in the moonlight during the poolside party on one of your evenings at Cub Scout Adventure Camp in 2017!

In addition to the wide variety of aquatics events, advancement opportunities are abundant for all ranks of Cub Scouts. Shooting sports opportunities allow campers to earn the Archery and BB gun awards. Discover new camping techniques, emergency preparedness skills, and building handicrafts at other jungle locations around the camp. Experience the outdoor life in hiking trails, fishing in the pond, and stargazing on the prairie. Every night you can celebrate the adventure with a campfire program with skits, songs, stunts, and stories. Join the search for excitement this summer at Cub Scout Adventure Camp at Camp Robert Drake.
