

CUBS on the HIGH SEAS !!!

**Blue Session:
July 1 to 4**

**Gold Session:
July 22-25**

Sail away on your treasure for the 2018 Cub Scout Adventure Camp at Camp Robert Drake. For two fun-filled sessions, your Cub pack can experience the island discovery along the banks of the Salt Fork River. Wade through an afternoon in the cool blue waters of the pool. Take a boat cruise on the waters of Poncho Pond as you search for exotic wildlife of the wetlands. You will even be able to swim in the moonlight during the poolside party on one of your evenings at Cub Scout Adventure Camp in 2018!

In addition to the wide variety of aquatics events, advancement opportunities are abundant for all ranks of Cub Scouts. Shooting sports opportunities allow campers to earn the Archery and BB gun awards. Discover new camping techniques, emergency preparedness skills, and building handicrafts at other high seas locations around the camp. Experience the outdoor life in hiking trails, fishing in the pond, and stargazing on the prairie. Every night you can celebrate the adventure with a campfire program with skits, songs, stunts, and stories. Join the search for excitement this summer at Cub Scout Adventure Camp at Camp Robert Drake.
